Growing
a foundation for a better
LAKE COUNTY

Celebrating 25 YEARS
LEGACY FOUNDATION
1992-2017
Thank you
DEAR DONORS & FRIENDS,

Twenty-five (25) years ago a group of civic leaders understood that all of the cities and towns in Lake County were dependent on each other’s successes to safeguard a strong, vibrant region. Their vision was a community foundation that would serve the entirety of Lake County and act as a county-wide catalyst for social, environmental and economic success. Their foresight led to the creation of the Lake County Endowment and ultimately to the now named, Legacy Foundation, Lake County’s community foundation. Thank you to those leaders and to the Boards of Directors that followed them for staying true to that vision.

This year Legacy Foundation celebrates 25 years of encouraging and inspiring individual philanthropy. A recent report we prepared for our Board of Directors identified the residence of our donors. We are very proud that this report confirmed that the communities represented by our donors covered a wide swath of Lake County.

We are especially grateful to our donors who have established funds with Legacy to support their charitable interests and to the not-for-profit organizations that have entrusted us with the management of their endowment funds. We ended 2017 with 318 funds and close to $60,000,000 in assets under management. Thank you for your confidence in Legacy Foundation.

Legacy Foundation also celebrates 25 years of support we are providing through our grant-making and scholarship programs. The Board report we prepared on our donor communities also included the communities benefitting from our support. Similar to the donor report we found that our grants are far-reaching throughout Lake County. Legacy Foundation is meeting the original vision of a Lake County community foundation.

In 2017 Legacy Foundation provided over $2.7 million in grants and scholarships and over $40 million since inception. Of historical note, Legacy Foundation helped establish the Maria Reiner Senior Citizens Center in Hobart and helped in development of The Stage Small Business Incubator and Co-Working Space in the Miller neighborhood of Gary. Legacy Foundation has purchased vehicles for the Boys & Girls Club, Habitat for Humanity’s Re-Store, and Northwest Indiana Foodbank. Legacy has strengthened not-for-profit organizations through our capacity-building workshops offered each year on legal, financial, fund development and board development concerns.

We are especially proud of some of Legacy Foundation’s own initiatives that have focused on engaging local residents. Through Legacy Foundation’s Neighborhood Spotlight we are providing support to revitalize neighborhoods in Hobart, Griffith and Gary. Our recent On the Table initiative gathered community improvement ideas from residents across Lake County. This information will be invaluable to Legacy and to other service providing and grant-maker organizations in our area.

From past to present, Legacy Foundation’s overall goal is to transform Lake County through philanthropy. Thank you for the past 25 years…we look forward to working with you and others in the next 25!

Carolyn Saxton     Robert Johnson
President           Chairman of the Board of Directors
In November, 1992, a group of visionary leaders came together to create a community foundation that serves Lake County, Indiana. The Endowment Fund of Lake County was formed by community members who believed that community-based philanthropic capital should be accumulated for local projects.

The Gift of a Legacy

George and Harriet Korellis were both first generation Americans born during the Great Depression. They started Korellis Roofing in 1960 out of their Hammond, IN home with the strong desire to make a better way for their family, as well as for their future employees and their children too. Well into his mid-eighties, one of George’s great joys was to come into work each day to see all of his work family. Korellis Roofing continues to grow today and provide career opportunities for over 150 employees and their families.

“It is our most sincere pleasure to honor our parents, George and Harriet Korellis with the George and Harriet Korellis Roofing Scholarship Fund. This is our way of honoring our parents in awarding our employees and their families at Korellis Roofing the opportunity for a higher education because after all, they are the reason for our success!”

Nancy Johnson accepted the position as the second Executive Director of the Legacy Foundation, where she served for the next eleven years.

Legacy Foundation began the endowment building campaign, “Make a Good Gift Better.”

This matching gift campaign encouraged community members to invest in the organizations they care about by establishing an endowment fund. The campaign raised over $700,000, which was matched with $520,000 from the foundation.
Legacy Foundation, Crown Point Community Foundation, Porter County Community Foundation, and Unity Foundation formed The Discovery Alliance with a $15 million grant from Lilly Endowment, Inc.

Partnership among the community foundations in Lake, Porter, and LaPorte counties allowed them to better support regional projects promoting educational success.

Legacy Foundation celebrated its 10th anniversary.

At the 10th Anniversary Celebration, Hodding Carter, President and CEO of the John S. and James L. Knight Foundation was the featured speaker. He announced a new partnership between Knight Foundation and the Legacy Foundation—the establishment of a $2.5 million donor advised fund for the benefit of Gary, Indiana.

The Gift of Empowerment

“Something very powerful happens when a group of like-minded women come together to offer the best of their thinking on how to be of service to others. For me, that is what Women in Philanthropy provide—a space where women, united in purpose, offer recommendations and engage in decision-making that leads to meaningful philanthropic support for not-for-profit organizations serving the needs Lake County women and girls. With our giving and participation, we have impact. We are enriched.”

—Judy Lindsey, Executive Director
Methodist Hospitals Foundation
Women in Philanthropy member
The Legacy Society honors those donors who have named Legacy Foundation as a beneficiary in their will or estate plan. Gifts may include a bequest and/or charitable income gifts such as gift annuities, life insurance or retirement plan assets.

In 2004, Martha Woodward’s estate gift established the Orval O. and Margaret Haag Memorial Award Fund in honor of her parents.

Orval and Margaret were founders of the Northern Indiana Arts Association. The annual award from the fund continues to annually celebrate the arts and talented young artists.

Gary Streetlights Workshop
Legacy Foundation, in collaboration with artists from the School of the Art Institute of Chicago, received a grant from the National Endowment for the Arts. The project worked with residents to design unique street lamps.
BUILDING A CULTURE OF PHILANTHROPY ACROSS GENERATIONS Legacy Foundation provides opportunities for youth and adults to learn about charitable organizations in the region and make an impact on the causes that matter to them.

LAKE COUNTY TEEN ACTION GROUP
The Lake County Teen Action Group provides Lake County high school students with hands-on opportunities in grant making and volunteerism. Participating students review grant proposals, discuss effective strategies for community impact, award grants to local nonprofits, and volunteer.

$6,000
The Teen Action Group awarded grants of $6,000 to the following organizations:
» Down Syndrome Association of Northwest Indiana
» Habitat for Humanity of Northwest Indiana
» Porter Starke Services: Marram Health Center
» Servants at Work

WOMEN IN PHILANTHROPY

The goal of Women in Philanthropy (WIP) is to create change through a network of local women who learn, give, and lead together as a group. The women of this group identify a priority issue on which to focus for the year. Legacy Foundation hosts a spring learning opportunity exclusive to WIP members with an expert in the topic identified. Additionally, the group receives training on how to review grant applications so it can make a strategic funding decision that impacts the priority area. The grant money comes from the collective membership contributions.

In 2017, WIP granted a total of $20,000 to:

- Girl Scouts of Greater Chicago and Northwest Indiana
- Pathway to Adventure Council, Boy Scouts of America
- On My Way Pre-K

ENGAGING RESIDENTS TO LEAD CHANGE Legacy Foundation doesn’t just provide grants; we work alongside community residents, organizations, and leaders to positively transform neighborhoods across Lake County.

On September 26, 2017, over 1,500 residents participated in On the Table conversations that took place at 133 sites across Lake County. This conversation-oriented initiative was an opportunity for friends, families, neighbors, colleagues, and strangers to gather around a shared meal and have a real dialogue about what is important to them with the intention of fueling meaningful change.

Legacy Foundation organized On the Table with support from The John S. and James L. Knight Foundation. Knight Foundation brought On the Table to 10 cities across the country in 2017.

Overall, those who participated were highly engaged and motivated to create change. They identified the top issues they would like to see their community address and services they wish they had more of in their community. Participants said they want education and youth development, economic issues and poverty, and family issues addressed. When asked about services desired, the top response was transportation services.

To encourage On the Table participants to take action on solutions generated in their conversations, Legacy Foundation announced the Community Action Awards. Ten projects were awarded $1,000 to kick-start implementation. Projects include a positive news podcast, an exchange program for girls from different communities, a community photo contest, monthly community networking dinners, and student led beautification activities.

PHOTOS (Top to bottom): Cedar Lake Ministries brought in a cross-section of the community for an On the Table conversation; Forest Ridge Academy students participated in a youth discussion; Griffith Police Department opened its doors for a community conversation.
Neighborhood Spotlight provides a framework for residents to participate in capacity-building, planning and project implementation to improve their neighborhoods. Over the course of four years, Legacy Foundation has directed resources toward four selected communities: Gary-Emerson, Gary-Miller, Griffith and Hobart northwest.

Each community received comprehensive technical assistance from Prosperity Indiana and funding for the cost of a community builder and action projects. With input from residents, the projects coming out of Neighborhood Spotlight have focused on increasing accessibility, promoting nature, and sparking entrepreneurship.

PHOTOS (Left to right): Griffith Neighborhood Spotlight celebrates the opening of Panther Park; FAITH Urban Garden grows fresh fruits and vegetables in a formerly vacant lot in Gary’s Emerson neighborhood. Local volunteers will distribute the harvest to residents and hold farmers markets; Adaptive bikes and an accessible kayak launch ensure more of Gary’s residents can use recreational activities along the lake.

Legacy Foundation made the largest grant in its 13 year history to Meals on Wheels of Northwest Indiana.

The $50,000 award helped Meals on Wheels break new ground on its central office and distribution center in Merrillville.

“I am a non-traditional student. I received my Bachelors of Accountancy in 2006. I worked in a family business of wholesale/retail distribution of general merchandise. After 10 years, I was looking to fulfill my dream of becoming a teacher. I have returned to Purdue University Northwest (Hammond) to complete my dream. I am a lifelong learner. Teachers are lifelong learners. I see how inquisitive young minds can be and I want to be that one teacher that helps them find the answers and grow as students. The Legacy Foundation’s Good Teachers Count scholarship has helped me persevere in my endeavor.”

### Demetrius Tirrell Williford Memorial Scholarship Fund

Demetrius Tirrell Williford Memorial Scholarship Fund was established in memory of Demetrius Williford who died in 2016 from colorectal cancer at the age of 43. Attending Gary’s West Side High School, Purdue University Calumet and DeVry University, he earned a Bachelor of Science in Electronics Engineering Technology, allowing him to quickly advance in his engineering career and travel. Though Demetrius relocated from Gary, he loved the community. Through the fund, established by his wife and two daughters, Demetrius is able to support young men in Gary pursuing a degree in STEM (science, technology, engineering and mathematics).

Caroline Saxton joined Legacy Foundation as the new President and CEO.

Legacy Foundation received national recognition for its public-philanthropic partnership with governmental agencies. The Secretaries’ Award for Public Philanthropic Partnerships recognized the foundation’s Neighborhood Spotlight Initiative combined with the Gary Northside Redevelopment Project as a catalyst for change in the City of Gary.
Celebrating 2015

Following the success and engagement of the Knight Cities Challenge, Legacy Foundation hosted the first Civic Innovators Convening to encourage the submission of new ideas for improving the City of Gary.

The unique grant-making process at the Civic Innovators Convening, whereby attendees hear project pitches and cast a ballot to award grant dollars, gets Legacy Foundation inducted into the 2017 Society of Innovators.

Kyle Grady was just an infant when he was diagnosed with retinoblastoma, a cancer that left him legally blind and ultimately led to his death as a young man. When the Apple iPad first came on the market, Kyle found it extremely useful as a visual aid. He also found the iPad to be a useful tool in learning to play the guitar. Due to its size it was easy for him to carry and use at various venues to enhance images. Even with his visual impairment Kyle was an avid musician who enjoyed performing for friends on his guitar.

A fund in memory of Kyle was established at Legacy Foundation to provide iPads (and/or guitars) to young people who have uncorrectable visual impairments.
